

My Talents, Skills, and Experience to Share

What gifts do you have to share? What causes are you passionate about? How is the Spirit inspiring you to lead and serve? Are you dedicated to continuing with something you've been part of before? Or are you feeling pulled towards something different or maybe even new?

*Think about these questions and about how you will respond. Our committee and team leaders are pledging to get back to you with either a "thank you for your continued service" or a "here's a next step" within a few weeks of receiving these responses. **Complete your form online at <https://gslc.breezechms.com/form/ba628b>***
